TO RESIDENTS OF 5700/5800 GOLIAD, PALO PINTO AND VELASCO

Neighborhood thug Avi Adelman aka "The Barking Dog" is encouraging Lower Greenville bar customers to park on your block. [redacted] is sponsoring this.

First, see the email he sent out with the [redacted] telling people to park on your block. Then look at the story on his website to see what they are doing. I've attached both of those. The website even goes so far as to include a map of your block with the tag "FREE PARKING".

Let's send a message to [redacted] that we will not take this laying down. Join me in **boycotting** them until they stop supporting this thug.

[redacted] is guilty of sponsoring this, but several other businesses are giving him support. Boycott them and show them that they we won't put up with it!
