WoW....Just read some of your articles... You know the sad part is someone with as much time as you could really do some good for the G-Ville area but why is it that everytime someone has the time to pull off something like this he turns out to be a nut who does nothing but bitch about personal vendetas that have nothing to do with the problems... The music is loud? Hello Dumb Ass,,, You live a block from one of Dallas largest party streets,,I guess the bars were not there when you moved in and were put in right after you closed on your home..because only a Dumb Ass would move that close to Greenville and then Bitch about the music...I think Ill buy me a house by the Ocean and then start a web site to try to dry it up.... Dumb Ass..
Why dont we work on making Greenville a fun place to go to again and not try to get even with people because our life is Fucked up...I take it from all your free time that you dont have a Family or Anyone to Listen to your crap so you have to hide behind you crusade...Well like I said before,,,Why always the NUTS...

Hey Avi.... You Sad Lil Man

Coming from a bunch of us who go to Greenville to have a good time and not to turn the avenue into a platform to live out our lonely life....Get a life,,, Go after the clubs that are a problem (Creme , Syn) Your transperent attempt to pick on the Clubs that have the Good looking crowd clearly shows you anger to the Popular Crowd...You know the one's that kicked your ass in High School and the Cute Girls that turned you down...Well your attempt to get even is sad to say the Least.....When was the last time you got Laid? Sad aint it.....Well on behalf of us who used to kick your ass in High School we are sorry...Get over it....Leave us alone....So we still get the chicks and you dont, Such is life, Go fuck yourself if no one else will...
